Supplemental Reasons for Allowance

1. In response to the comments on statement of reasons for allowance.

The following is an examiner's statement of reasons for allowance: claims 1-21 are allowable over the arts of record. This is because the arts of record does not teach or disclose the invention as recited in claims 1 and 13, and including:

In claim 1: providing a write once memory device storing a word comprising a plurality of data bits and a plurality of syndrome bits;

Identifying X bits in the word that are in an un-programmed state; and

Switching the X bits in the word from the un-programmed state to a programmed states, wherein X is sufficient to introduce an uncorrectable error in the word.

In claim 13: providing a write once memory device storing a first word comprising a first plurality of data bits and a first plurality of syndrome bits;

Identifying a single bit in the first plurality of data bits that is in an un-programmed state;

Generating a second word comprising a second plurality of data bits and a second plurality of syndrome bits based on the second plurality of data bits, wherein all of the second plurality of data bits are in the un-programmed state except for a bit that corresponds to the single bit; and

Overwriting the first word with the second word.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
